8. General provisions

8.1 Participant fees are invoiced at the beginning of the year. In the event of commencement during the year, the fees are charged pro rata (calculated quarterly). No fees will be refunded in the event of termination during the year.

8.2 The Trading Participant fee includes a single technical connection to the BX Digital systems. Special connection solutions are charged additionally.

8.3 Trading fees are the same for clients and nostro orders.

- 8.4 Trading and settlement fees are invoiced quarterly and are due for payment within 30 days of issue.
- 8.5 In the case of partial executions of an order within one day, the trading fee is only charged once.
- 8.6 Admission fees are invoiced upon confirmation of admission and are due for payment within 30 days of issue.
- 8.7 Fees for maintaining the admission are invoiced annually. The number of admitted instruments as of January 1 is relevant for the fees. No fees will be refunded if the admission is cancelled during the year.
- 8.8 The proportionate participation in the trading fees pursuant to clause 4.1 of the previous year shall be deducted from the fees for maintaining the admission for equity securities pursuant to clause 5.1. Any participation exceeding the fees for maintaining the admission shall be remunerated separately. The entitlement to the proportionate participation pursuant to clause 5.1 lapses if the admission is cancelled.
- 8.9 An issuer is deemed to be a new issuer if it has not had any securities admitted to trading on the BX Digital for more than three years. No fee is charged for new issuers who are already participants on BX Digital or apply for it at the same time.
- 8.10 If applications are withdrawn, any fees incurred will be charged in accordance with the List of Fees.
- 8.11 For late payments, a default interest of 10% per year may be charged.
- 8.12 Claims for reimbursement of fees must be made within six months of the invoice date. After expiry of this period, the claim for reimbursement is forfeited. A claim for reimbursement must be supported by a confirmation from the participant's auditors.
- 8.13 For instruments priced as a percentage of the nominal amount, fees expressed as a percentage relate to the nominal amount of the traded instrument.

9. Final provisions

- 9.1. This List of Fees was adopted by the management and enters into force on 08 December 2025.
- 9.2. It fully replaces the version of the List of Fees that entered into force on 13 March 2025.
